Made in USA

a member of the **TQI LLC Family**

What makes TQ Carts stand apart from the competition?

1. **No assembly required**, just remove packaging and they are ready to use! Saves Time and \$\$
2. **Sustainable**—manufactured from 30% post consumer recycled aluminum
3. **Ergonomic**—All carts roll on large, non-marking wheels. Carts are manufactured from aircraft aluminum—naturally lightweight!
4. **Meets Joint Commission Codes, OSHA and Fire Regulations** 
5. **Made in the USA!**

Cart & Bag Color Choices

Coordinate your cart with your Interior.

Choose Exterior Colors & Frame

Cart Cover & Bag Colors

Standard Features

Large non-marking, ball bearing wheels 6" x 2" or 8" x 2". Rolls quietly on any surface. **Parking brake** extra. **Perimeter Bumper**—in a choice of colors.

Tote Box Drawers with Dividers—for items, supplies or personal laundry. Buy separate or place in carts on runners.

Drop Rolling Bumpers to hit baseboard—Preserves walls and furniture.

Ergonomic EZ to unload soiled collection bags.

Writeable ID Label Placed on All carts.

Fire Retardant

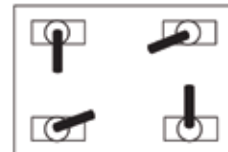

Joint Commission Approved & Air Barrier Covers. Front Panel or Drape Covers. (We can also make covers for your other carts or equipment—call for details).

CASTER CHOICES—all carts

Option I—2 rigid and 2 swivel. Allows cart to push straight.

Option II—4 swivel & with the touch of a foot pedal convert them to 2 rigid and 2 swivel. Allows full mobility.

For 50 years TQ has filled our nations need for quality carts for several industries: Hospitality, health care, laundry, commercial and airlines. We remain a family owned company, manufacturing all products in house at our centralized location in Texas, we ship to all states and around the world.
