

# Clean Cycle Systems *filters*

## SPECIFICATIONS DLF-511 Dry Lint Filter

**System 500** models represent a design concept requiring minimum space to install while providing large area filtration screens. All models are tall, slimline, and compact; often referred to as "inline" or inside models. **System 500** models are all-weather construction and may be mounted outside.

The **DLF-511** is a high volume lint filter designed to fit with one 450 pound dryer or a multiple of smaller dryers (i.e. four 150 lb dryers).

**Capacity:** 11,000 CFM
